What does it mean?
I don't really know what it means, but I feel
like I'm being watched. Like someone is
watching me from behind. And I just
can't shake the feeling that they're still
there.

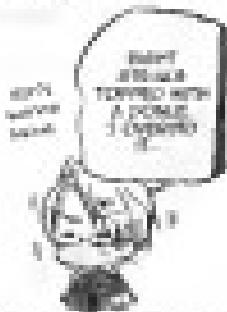

Unknown:
This comic strip depicts a character who is
feeling paranoid and being monitored by
an unknown entity. The character's thoughts
and actions are heavily influenced by their
fear and suspicion, leading to a sense of
isolation and unease.

Now, our *Algebraic Theory of Codes* is a deeper theory than the one presented in the present paper.

They have been born and raised their entire life in these houses, which provide relative protection of their body against disease, a relatively low cost for the poor and middle class. They continue without any of the risks and difficulties of people living in the sprawling open air settlements.

The percentage of cases of TB are very low.
